Summary: The Forest Preserves of Cook County (the “Forest Preserves”) requests approval of the reappointment of Jacqui Ulrich, Director of the Conservation and Experiential Programming Department (“CEP”) to the Board of Directors of NeighborSpace, an affiliate partner of the Forest Preserves.

NeighborSpace is a nonprofit urban land trust in Chicago that preserves and sustains gardens on behalf of dedicated community groups. NeighborSpace-protected gardens give young and old alike an opportunity to get their hands in the earth and enjoy nature, right in their own neighborhoods.

CEP connects diverse audiences to nature through a wide range of educational and outdoor recreation experiences and is also responsible for community engagement and committed to developing relationships with citizens to energize them and connect them to nature. CEP works with program partners at the local level on programming, building relationships with groups to become long-term advocates, stewards and ambassadors of the Forest Preserves.

The Forest Preserves of Cook County, the City of Chicago, and the Chicago Park District worked together to establish NeighborSpace as a non-profit in 1997.
