Summary: The proposed 130th Street Chicago Transit Authority (“CTA”) Station will be the new terminal station for the Red Line Extension located just to the east of the CHA Altgeld Gardens housing community. As mitigation for the effects of the extension project on the Forest Preserves of Cook County’s (“Forest Preserves”) Beaubien Woods and to support the CHA and other community members in the area, the CTA agreed to provide funding to the Forest Preserves to connect the Altgeld Gardens community to the Beaubien Woods Boat Launch (See Board Item Nos. 23-0515 and 23-0520).

The CTA therefore transferred two (2) parcels of land to the Forest Preserves for this connection through an intergovernmental agreement. The acquisition now before the Board with the CHA includes an intergovernmental agreement between the parties (the “IGA”) to allow for the CHA to transfer approximately 2,224 square feet of additional CHA land near Greenwood Avenue to complete this trail connection (the “Property”). This new trail connection will encourage the community to use Beaubien Woods and its facilities. This project also includes a new public restroom at Beaubien Woods, which will require a connection for water service through the proposed trail corridor. The IGA and conveyance permits this water connection as well.

Through negotiations, the CHA has agreed to sell the Property to the Forest Preserves for the sum of FIVE THOUSAND DOLLARS AND 00/100 (\$5,000.00) plus closing costs up to \$10,000.00 (up to \$15,000.00 in total). The purchase price is based upon two (2) M.A.I. appraisals obtained by the Forest Preserves and is subject to the Forest Preserves’ satisfactory completion of its due diligence.

Permission is now sought, upon satisfactory completion of all due diligence and negotiation of any and all required documentation, as determined by the Forest Preserves Legal Department, to effectuate payment in the amount of the purchase price plus closing costs as full compensation for the acquisition of the Property.

This land acquisition advances the goals of the Forest Preserves’ Southeast Cook County Land Acquisition Plan, Land Acquisition Plan, and Acquisition and Disposition of Land Position Paper.
