Summary: The Forest Preserves of Cook County (the “Forest Preserves”) has identified a parcel of land for acquisition that would add to the Forest Preserves’ current holdings near Spring Lake (the “Property”). The Property, commonly known as 324 Sutton Road # A, Barrington Hills, Cook County, Illinois consists of approximately 5.04 ± acres. The Property is an infill parcel directly adjacent to current holdings in an 1007-acre section of Spring Creek forest preserve and will expand habitat and provide a buffer from impacts from neighboring properties. The Property will be acquired with a reserved life estate.

Through negotiations, the Owner of Record (the “Seller”), has agreed to sell the Property to the Forest Preserves for the sum of FIVE HUNDRED TWENTY THOUSAND DOLLARS AND 00/100 (\$520,000.00) plus closing costs up to \$10,000.00 (up to \$530,000.00 in total). The purchase price is based upon two (2) M.A.I. appraisals obtained by the Forest Preserves and is subject to the Forest Preserves’ satisfactory completion of its due diligence.

Seller shall retain a life estate in the Property for the duration of the Seller’s natural life and shall have the exclusive right to occupy, use and enjoy the Property for the Seller’s lifetime, as long as Seller resides on the Property. Seller shall remain responsible for routine maintenance, utilities, and property taxes during the life estate, as well as maintaining proper insurance. Seller shall not commit waste or make substantial alterations without the Forest Preserves’ consent. The life estate shall terminate automatically upon death or change of residence of Seller and the Forest Preserves shall obtain full possession and fee simple title without further consideration.

Permission is now sought, upon satisfactory completion of all due diligence and negotiation of any and all required documentation as determined by the Forest Preserves Legal Department, to effectuate payment in the amount of the purchase price plus closing costs as full compensation for the acquisition of the Property.

This land acquisition advances the goals of the Forest Preserves’ Land Acquisition Plan, Next Century Conservation Plan, and Acquisition and Disposition of Land Position Paper.
