PROPOSED RESOLUTION

A RESOLUTION HONORING CAROL FOSTER, FOUNDER OF ARTISTIC JOURNEYS, FOR HER DEDICATION AND LEADERSHIP TO THE FINE ARTS SUSTAINABILITY IN COOK COUNTY

WHEREAS, Carol Foster, a 38-year resident of the western suburbs of Cook County, has lived in Barrington, Illinois since 1996; and

WHEREAS, Carol and her husband John discovered Crabtree Nature Center while in search of an area near their home to support their love for birding and beautiful nature trails; and

WHEREAS, cooking, music and art have been lifelong creative outlets for Carol. Her musical talents are vast--she played the flute, clarinet, and piano. Photography became her passion during her college years. In 2004, during her early retirement, she started art lessons, and created her own business, "Foster Moments," in 2009; and

WHEREAS, Carol has always had a love for the environment. She is passionate about gardening, nature walks, and birding. She has always had a concern for wildlife and has tried to save all types of injured birds, rabbits, spiders, and even worms. She has been involved with several animal rescue groups including "Almost Home Dog Rescue of Ohio" where she adopted her current companion, Abby; and

WHEREAS, Carol started several art groups, around 2008, along with coordinating *plein air* events, and pop up art shows in the northwest suburbs. Her most recent group Artistic Journeys formed in 2014. Artistic Journeys members are an assemblage of fine artists, whose like minds uplift and inspire and who love to share their knowledge and joy of creating with others. Artistic Journeys has been active in the community by supporting small businesses, educating students, and conducting painting classes for seniors, special need groups, dog rescues, and more; and

WHEREAS, in 2011 Carol was the co-creator of Crabtree Nature Center's September art-focused event, now known as Art in Nature. Carol worked with the Crabtree staff to coordinate a *plein-air* competition with her fellow artists. Carol volunteered her time for the last 11 years supporting 11 Art and Nature events which involved coordinating up to 40 artists to enter the competition, as well as finding

sponsorships and donations from local businesses. What started as a simple *plein-air* competition had turned into a community festival with music, dance, and other nature-related organizations that helped to network and promote their love of the arts. During the pandemic in 2020, Carol helped to coordinate a virtual Art in Nature program that included the many aspects of the in-person event to bring the celebration of the fine arts into home during the pandemic; and

WHEREAS, Carol also coordinates the Crabtree Nature Center “Art All Year” workshops which are a branch of the Art in Nature Festival. Carol has organized and coordinated artists who have offered over 45 classes to the public year-round. She has also coordinated a rotating art exhibit at the center; and

WHEREAS, Carol’s volunteer work for Crabtree Nature Center, which connects more people to nature through art based activities, is invaluable.

NOW, THEREFORE, BE IT RESOLVED, that Toni Preckwinkle, President and the Forest Preserves of Cook County Board of Commissioners endorse with this resolution to recognize Carol Foster and her hard work and dedication to promoting the fine arts for and at Crabtree Nature Center and in the northern Cook County community.

BE IT FURTHER RESOLVED, that a suitable copy of this resolution be tendered to Carol Foster in recognition of her significant contributions to the Forest Preserves of Cook County.

PUBLIC TESTIMONY

Authorization as a public speaker shall only be granted to those individuals who have registered, with the Secretary, to speak 24 hours in advance of the meeting. To register as a public speaker, go to the meeting details page for this meeting at <https://fpdcc.legistar.com/Calendar.aspx> to find a registration link. Duly authorized public speakers may speak live from Crabtree Nature Center, 3 Stover Road, Barrington, Illinois, or be sent a link to virtually attend the meeting and will be called upon to deliver testimony at a time specified in the meeting agenda. Authorized public speakers who are not present during the specified time for public testimony will forfeit their allotted time to speak at the meeting. Public testimony must not exceed three minutes; the Secretary will keep track of the time and advise when the time for public testimony has expired. After each virtual speaker has completed their statement, they will be removed from the meeting. Once removed, you will still be able to follow the proceedings for that day at: <https://www.facebook.com/FPDCC/> or <https://www.facebook.com/FPDCC/live> or in a viewing area at 69 W. Washington Street, 22nd Floor Conference Room F, Chicago, Illinois. Persons authorized to provide public testimony shall not use vulgar, abusive, discriminatory, profane, or otherwise inappropriate language when addressing the Board; failure to act appropriately; or failure to adhere to the time requirements may result in expulsion from the meeting and/or disqualify the person from providing future testimony. Written comments will not be read aloud at the meeting, but will be posted on the meeting page and made a part of the meeting record.

PROPOSED PARTNERSHIP AGREEMENT

Request: Requesting authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to enter into a Partnership Agreement with Friends of the Chicago River, Chicago, Illinois.

Reason: Friends of the Chicago River has received a \$27,000.00 grant through the Illinois Clean Energy Community Foundation’s Community Stewardship Challenge Grant program supporting 16 acres of habitat restoration at Harms Woods in Glenview. The project consists of 5 acres of invasive species removal and the coordination of at least twenty (20) volunteer workdays, which will engage local communities in stewardship to restore an additional 11 acres through the removal of invasive plants and the collection and dispersion of native plant seeds. In addition to the \$27,000.00 grant award, Friends of the Chicago River has committed to contributing an additional \$7,000.00 towards the project as matching support, bringing the total project amount to \$34,000.00. The project will be implemented at no direct cost to the Forest Preserves.

Contract Period: Date of execution - 12/31/2024

Fiscal Impact: N/A. The project will be conducted at no direct cost to the Forest Preserves, which may provide in-kind staff support for the planning, implementation, and monitoring of the projects.

Account(s): N/A

Concurrences: The Chief Financial Officer has approved this item. Final agreement is subject to legal review and approval.

PROPOSED GRANT AWARD AMENDMENT

Department: Department of Conservation and Experiential Programming

Grantee: Forest Preserves of Cook County (the “Forest Preserves”)

Grantor: Illinois Department of Natural Resources (“IDNR”), Springfield, Illinois

Request: Authorization to extend previously approved grant agreement.

Purpose: Authorization is sought for the Forest Preserves to extend the previously approved grant agreement. The Grant is with IDNR for a project funded through Coastal Management Program grant, to develop an inclusive Community Engagement Plan and to install a series of wayfinding and interpretative signs at Eggers Grove located in Chicago, Illinois. There is a need to extend the project because while the project agreement was fully signed on 2/16/2022 and received by the Forest Preserves on 3/1/2022, the National Oceanic and Atmospheric Administration (NOAA) environmental review was not completed until 7/8/2022. IDNR recommended the Forest Preserves apply for an extension.

Grant Amount: \$150,000.00

Grant Period: 2/1/2022 - 10/1/2023

Proposed Grant Extension: 10/1/2023 - 5/31/2024

Fiscal Impact: Original: \$150,740.00 (not to exceed \$80,000.00 in direct match and \$70,740.00 in in-kind support); there is no additional impact with this extension.

Accounts: Professional Services 51010.520830 and 51001.520830; Land Improvement 51010.560019 and 51009.560019; and various grant accounts

Date of Previous Board Authorization for Grant: 1/11/2022

Concurrences: The Chief Financial Officer has approved this item. Final grant amendment is subject to legal review and approval.

District(s): 4

Summary: Requesting authorization to extend the grant agreement through May 2024. The grant award supports the Forest Preserves in its inclusive community outreach efforts to develop a Community Engagement Plan and to install a series of wayfinding and interpretative signs at Eggers Grove. This 240-acre site is one (1) of only a handful of forest preserves located within the City of Chicago, but despite this, and the remarkable nature and outdoor recreation opportunities it offers, the site is currently underutilized. The proposed activities will be designed to build awareness of these assets and increase use, and appreciation of, Eggers Grove. The original grant agreement deadline was October 1, 2023. IDNR encouraged the Forest Preserves to apply for an extension due to the NOAA environmental review process taking longer than expected.

PROPOSED GRANT AWARD AMENDMENT

Department: Department of Resource Management

Grantee: Forest Preserves of Cook County (the "Forest Preserves")

Grantor: Friends of the Chicago River, Chicago, Illinois

Request: Authorization to extend grant agreement

Purpose: Ecological restoration at Sweet Woods, utilizing grant funding received through the National Fish and Wildlife Foundation's Chi-Cal Rivers Fund.

Grant Amount: \$184,500.00

Grant Period: Date of execution - 11/30/2023

Proposed Grant Extension: 12/1/2023 - 6/30/2025

Fiscal Impact: Not to exceed \$171,900.00 in direct match, per the original award. There is no additional cost associated with the extension.

Accounts: Professional Services 51030.520840; Grant and Mitigation 51010.521314 and 51010.521444; and all future Professional Services accounts

Concurrences: The Chief Financial Officer has approved this item. Final grant extension is subject to legal review and approval.

District(s): 6

Summary: On 12/14/2021, the Forest Preserves of Cook County Board of Commissioners approved the acceptance of grant funding from Friends of the Chicago River via the Chi-Cal Rivers Fund conservation grant program administered by the National Fish and Wildlife Foundation (Board Item No. 21-0531). The Forest Preserves has been sub-awarded a portion of these funds to support 118.8 acres of ecological restoration at Sweet Woods in the Village of Thornton in southeast Cook County.

A no-cost extension of the grant is being requested to allow for completion of the work, which was postponed due to inadequate weather and ground conditions. The restoration work prescribed for this project requires frozen ground conditions to limit ecological damage to the surrounding landscape. Above average temperatures during the winter of 2023 only permitted about half of the planned restoration work to occur, which is why the Forest Preserves is now requesting an additional nineteen (19) month grant extension to complete the project at no additional cost. Total project costs for work dedicated to Forest Preserves property is \$356,400.00, of which the Forest Preserves is contributing \$171,900.00 or approximately 48% in direct match.

PROPOSED GRANT AWARD AMENDMENT

Department: Department of Resource Management

Grantee: Forest Preserves of Cook County (the "Forest Preserves")

Grantor: Audubon Great Lakes ("Audubon") via the National Oceanic and Atmospheric Administration

Request: Authorization to extend grant agreement

Purpose: Engineering design and construction of a water control and fish passage system at Powderhorn Lake, utilizing grant funding received from Audubon via the National Oceanic and Atmospheric

Administration.

Grant Amount: \$967,770.00 (includes \$807,290.00 original award, plus \$160,480.00 in supplemental grant funding authorized under Board Item No. 21-0451)

Grant Period: 5/6/2020 - 7/31/2022; Board Approved Extension 8/1/2022 - 7/31/2023

Proposed Grant Extension: 8/1/2023 (retroactive) - 7/31/2024

Fiscal Impact: Not to exceed \$300,000.00 in direct match. There is no additional cost associated with the extension.

Accounts: Grant and Mitigation 51010.521314; Professional Services 51031.520840; and all future Professional Services accounts

Concurrences: The Chief Financial Officer has approved this item. Final grant extension is subject to legal review and approval.

District(s): 4

Summary: On 5/1/2020, the Forest Preserves of Cook County Board of Commissioners authorized the acceptance of grant funding from Audubon via the National Oceanic and Atmospheric Administration to complete the design, permitting, and construction of a water control and fish passage system at Powderhorn Lake (Board Item No. 20-0169). The grant was subsequently amended on 10/5/2021 (Board Item No. 21-0451) to accept supplemental grant funding, and on 11/15/2022 (Board Item No. 22-0496) to extend the project through July 2023 and increase the Forest Preserves' match contribution to cover unforeseen design and construction costs.

A second extension of the grant is being requested, at no cost to the Forest Preserves, to allow for completion and final payout of the project. Construction is substantially complete, but experienced significant delays in construction and permitting which affected the overall project timeline. Total project costs are estimated to be around \$1,267,770.00, of which the Forest Preserves proposes to contribute up to \$300,000.00 or approximately 23.6% in direct match.

PROPOSED GRANT AWARD AMENDMENT

Department: Department of Planning and Development

Grantee: Forest Preserves of Cook County (the “Forest Preserves”)

Grantor: The Illinois Department of Natural Resources (“IDNR”), Springfield, Illinois

Request: Authorization to extend grant agreement

Purpose: To design and renovate the existing warming shelter building at Caldwell Woods in Chicago to support year-round recreation activities, wellness programs, visitor information on nearby recreation facilities, natural resources and volunteer opportunities.

Grant Amount: \$1,228,800.00 (Board Item No. 21-0316)

Grant Period: 10/12/2021 - 10/11/2023

Proposed Grant Extension: 10/12/2023 - 10/11/2024

Fiscal Impact: \$409,700.00 in direct match per the grant terms. There is no additional cost associated with the extension.

Accounts: Revenue 51010.411437 (State Governmental Grants)

Concurrences: The Chief Financial Officer has approved this item. Final grant amendment is subject to legal review and approval.

District(s): 10

Summary: On 6/22/2021, the Forest Preserves of Cook County Board of Commissioners approved the acceptance of grant funding from IDNR’s Park and Recreational Facility Construction (PARC) Grant Program (Board Item No. 21-0316) to address accessibility, energy efficiency, wayfinding signs, and other related improvements at Caldwell Woods Warming Shelter.

A no-cost time extension of the grant agreement for twelve (12) months is being requested to allow for completion of the work, which was postponed due to supply chain issues and related construction delays.

PROPOSED CONTRACT

Department(s): Department of Facilities and Fleet

Vendor: Sutton Ford, Matteson, Illinois

Request: Authorization for the Forest Preserves of Cook County (the "Forest Preserves") to enter into and execute

Good(s) or Service(s): Twenty-five (25) Ford F-series vehicles based on Suburban Purchasing Cooperative (SPC) contracts 221, 222, 225, 226 and 227 expiring 6/30/2024

Contract Value: \$1,323,721.00

Contract Period: One-time purchase

Estimated Fiscal Impact: FY 2023, \$1,323,721.00

Accounts: Vehicle Purchase 51033.560266, 51001.560266, and 51009.560266

Contract Number(s): #74000013044

Concurrences: The Chief Financial Officer and Chief Attorney have approved this item.

The Vehicle Steering Committee has approved the purchase of referenced vehicles.

Piggyback contract based on the Northwest Municipal Conference (NWMC - Suburban Purchasing Cooperative) agreement with Sutton Ford Inc. with no MWBE participation goals.

District(s): Districtwide

Summary: The Department of Facilities and Fleet received permission from the Vehicle Steering Committee on 8/29/2023 to decommission twenty-five (25) Forest Preserves vehicles due to age, high mileage, and condition; and purchase twenty-five (25) new pick-up trucks. Two (2) of these units are for the Law Enforcement Department. Two (2) of these units are for the Conservation and Experiential Programming Department. Seven (7) units are for the Landscape Maintenance Department. Eight (8) units are for the Resource Management Department. Six (6) units are for the Facilities and Fleet Department.

Twenty-four (24) of these units will align with Forest Preserves of Cook County sustainability goals. The only proposed vehicle purchase that does not meet the needs of our vehicle sustainability goals is the purchase of one (1) F550 diesel dump truck that would be used to carry very heavy construction equipment for Facilities and Fleet. The power level needed to move this equipment would be a strain on an

equivalent propane powered vehicle greatly reducing the life of the vehicle's powertrain.

Summary: SMG Security Holdings LLC monitors, inspects, and maintains security and fire alarm systems at various properties owned or leased by the Forest Preserves. Services include support for over one hundred (100) existing security and fire alarm systems dispersed throughout forty-two (42) preserve locations. Due to the addition of new sites, we are requesting additional funding to meet the safety needs of our staff and the public.

The original contract with SMG Security Holdings LLC for fire and security alarm monitoring, inspection and maintenance services was board approved on 6/25/2019 (Board Item No. 19-0279). Previously, the General Superintendent exercised the first of two (2) optional one-year extensions for this contract. We are anticipating posting a public bid solicitation in quarter 4 of 2023 for security and alarm monitoring and maintenance.

PROPOSED CONTRACT AMENDMENT

Department(s): Department of Resource Management

Vendor: Meru Corporation, Niles, Illinois

Request: Authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to extend and increase contract

Good(s) or Service(s): Professional services contract with Meru Corporation for construction of a water control and fish passage system at Powderhorn Lake utilizing grant funding received from Audubon Great Lakes via the National Oceanic and Atmospheric Administration.

Original Contract Period: 11/15/2021 - 6/20/2022; Administrative Extension 6/21/2022 - 6/20/2023

Proposed Contract Period Extension: 6/21/2023 (retroactive) - 7/31/2024

Total Current Contract Amount Authority: \$845,774.50

Original Approval: 7/27/2021, \$845,774.50

Previous Increase(s): N/A

This Increase Requested: Not to exceed \$265,000.00, in accordance with supplemental match for construction services previously approved by the Forest Preserves of Cook County Board of Commissioners on 11/15/2022 in association with the grant (Board Item No. 22-0496).

Estimated Fiscal Impact: FY 2023 \$200,000.00, FY 2024 \$65,000.00

Accounts: Professional Services 51030.520840; Grant and Mitigation 51010.521314 and 51010.521444

Contract Number(s): #74000009403 issued under Project #21-31-109

Concurrences: The Chief Financial Officer has approved this item. Final amendment is subject to legal review and approval.

The vendor has met the Minority- and Women-Owned Business Enterprise Ordinance via direct participation.

District(s): 4

Summary: The Forest Preserves of Cook County (the “Forest Preserves”) is requesting authority to extend contract #74000009403 with Meru Corporation for construction services related to a grant-funded hydrologic restoration project at Powderhorn Lake. The proposed extension is required to complete the reconnection of the northern marsh of Powderhorn Lake to Wolf Lake and final soil grading. Construction itself is substantially complete but experienced significant delays due to a combination of wet site conditions and issues related to the reengineering and permitting of an undisclosed pipeline.

Up to \$300,000.00 in match was previously authorized by the Forest Preserves of Cook County Board of Commissioners on 11/15/2022 (Board Item No. 22-0496) to be expensed as grant match to account for supplemental engineering design and construction services outside of the original scope of work. \$265,000.00 of this amount was allocated for construction. Upon completion, the project will provide a mechanism for restoring natural water levels to Powderhorn Lake and adjacent wetlands that support habitat for native and migratory marsh birds and promote movement of a greater diversity of fish species throughout the water system.

PROPOSED CONTRACT AMENDMENT

Department(s): Department of Permits, Rentals and Concessions

Vendor: Chicago River Canoe and Kayak, Evanston, Illinois

Request: Authorization for the Forest Preserves of Cook County (the "Forest Preserves") to amend contract

Good(s) or Service(s): Boat concession services for the Maple Lake Boat House

Original Contract Period: 4/11/2017 - 4/10/2020 with two (2) two-year optional extensions; (First Extension Option Exercised) 4/11/2020 - 4/10/2022; Per Board Item No. 20-0360 (10/20/2020) additional year added to second extension option; (Second Extension Option Exercised) 4/11/2022 - 4/10/2025

Proposed Contract Period Extension: N/A

Total Current Contract Amount Authority: Chicago River Canoe and Kayak has agreed to pay the Forest Preserves an annual base fee plus 5% of gross sales. The base fee for 2023 is \$12,000.

Original Approval: 4/11/2017

Previous Increase(s): N/A

This Increase Requested: N/A

Estimated Fiscal Impact: N/A (Revenue Generating). This amendment will waive the base fee for 2023 of \$12,000.00

Accounts: N/A

Contract Number(s): 17-40-401

Concurrences: The Chief Financial Officer has approved this item. Final amendment is subject to legal review and approval.

District(s): 17

Summary: Water pump and plumbing restrictions caused significant reductions to Chicago River Canoe and Kayak operations at Maple Lake Boat House for the 2023 season. In addition, the public restrooms were inoperable from these facility related issues. Chicago River Canoe and Kayak was impacted by a significant reduction of revenue because the business missed operating at the site on major holidays (Memorial Day, Father's Day and Juneteenth) and was only open for twenty-six (26) days primarily due to the plumbing issues. The vendor's seasonal operation at Maple Lake Boat House ended on July 20, 2023, when historically it would end the season sometime in October if weather permitted. Thus, the Forest Preserves is seeking authorization to waive the 2023 Base Fee in the amount of \$12,000.00. The Forest Preserves Facilities Department is currently soliciting quotes to repair the septic field. Chicago River Canoe and Kayak has other boat concession agreements with the Forest Preserves for other sites and the Base Fees for those sites are being paid in full in accordance with the contracted amount.
