Re: Re-appointments and New Appointment to the Conservation & Policy Council

Re-appointments

The terms for Conservation and Policy Council members Alan Bell, Dr. Jacqueline Samuel, and Michael DeSantiago expire on December 31, 2024. Alan and Jackie are able and willing to serve an additional term. Mike, who has served on the Council for ten years, is stepping down. In December we will be submitting a resolution to honor and thank Mike for his service. The Council Nominating Committee recommends that Alan Bell and Dr. Jacqueline Samuel be appointed to a new term beginning January 1, 2025.

I concur with the committee's recommendation and seek the Board's advice and consent related to the re-appointments of Alan Bell and Dr. Jacqueline Samuel.

Appointment

The Council Nominating Committee recommends the appointment of Dr. Kim Ruffin to fill the vacancy created by the resignation of Maria Pesqueira. (The Nominating Committee is vetting candidates to replace Michael DeSantiago and will submit a recommendation soon.)

I concur with the committee's recommendation and seek the Board's advice and consent related to the appointment of Dr. Kim Ruffin to the Conservation and Policy Council beginning January 1, 2025.

She is also a certified nature and forest therapy guide and a creative writer. Her audio-guided forest therapy walks (hosted by Emergence Magazine, the Denver Museum of Art, and the Forest Preserves of Cook County) have been enjoyed by thousands of local, national, and global listeners.
