2.3 EXPENSES ALLOWED: Expenses are not allowed.

2.4 DISCOUNT: The State may receive a 0 % discount for payment within 0 days of receipt of correct invoice. This discount will not be a factor in making the award.

2.5.1.3 Vendor shall not be entitled to apply an upward price adjustment without first obtaining approval of such request from CMS BOSS.

The State reserves the right to consider various pertinent information sources to evaluate price increase requests (such as the CPI and PPI, as published by the US Department of Labor, Bureau of Labor Statistics). The State also reserves the right to consider other information related to special economic and/or industry circumstances, when evaluating a price change request. Changes may be either increases or decreases and may be requested by either party.

2.5.3.4 In all cases, the vendor must file a claim in writing for such adjustment prior to the delivery of goods. In any event, the claim for such adjustment will not apply to release orders provided prior to the date the BOSS approved the economic adjustment request.

2.5.3.5 If the vendor has unresolved complaints filed against it for non-delivery of or poor-quality service, the increase request may be denied until such time as all past complaints are resolved to the satisfaction of the State.
