PROPOSED RESOLUTION

HONORING THE FOREST PRESERVES OF COOK COUNTY'S BUSSE FOREST NATURE PRESERVE FOR RECEIVING A CHICAGO WILDERNESS EXCELLENCE IN ECOLOGICAL RESTORATION ACCREDITATION, AND THE FOREST PRESERVES OF COOK COUNTY'S POWDERHORN LAKE HABITAT RESTORATION PROJECT FOR RECEIVING A CHICAGO WILDERNESS FORCE OF NATURE AWARD

WHEREAS, on October 22, 2025, the Forest Preserves of Cook County's Busse Forest Nature Preserve was honored with a Platinum Accreditation, the highest level possible, from the Chicago Wilderness Excellence in Ecological Restoration Accreditation Program, and the Forest Preserves' Powderhorn Lake Habitat Restoration project was honored with a Chicago Wilderness George B. Rabb Force of Nature Award at a ceremony at the Peggy Notebaert Nature Museum in Chicago, Illinois; and

WHEREAS, the Excellence in Ecological Restoration Accreditation Program recognizes the organization's management of the largest and highest-quality natural areas in the Chicago region and highlights projects that set an example of best practices in natural resource management and ecological restoration; and

WHEREAS, the 1,213-acre Busse Forest Nature Preserve is the seventh largest nature preserve in the State of Illinois and is part of the 3,558-acre Ned Brown Preserve, popularly known as Busse Woods in northwest Cook County near Elk Grove Village, Illinois and receives tens of thousands of visitors each year who seek out the preserve for outdoor recreation and nature exploration; and

WHEREAS, Busse Forest Nature Preserve protects a mosaic of habitats including woodlands, a sedge meadow, shrub swamp, and freshwater marsh, and the subtle changes in the site's topography and soils foster an intermingling of natural communities and create a hot spot of biological diversity, including over two hundred seventy (270) native plant species, including several state-listed species; and

WHEREAS, the George B. Rabb Force of Nature Awards recognize individuals and organizations whose conservation, restoration, advocacy or educational activities in the region are inspirational examples for others; and

WHEREAS, the Powderhorn Lake Habitat Restoration project was completed in 2023 and restored more than 100 acres of wetlands by reconnecting the Forest Preserves' 50-acre Powderhorn Lake to the Illinois Department of Natural Resources' 950-acre Wolf Lake; and

WHEREAS, Powderhorn Lake is located within Powderhorn Forest Preserve on the southeast side of Chicago, an area that has been shaped by significant urban and industrial development and yet still harbors a globally rare dune and swale habitat and is considered one of the most biodiverse natural areas in Illinois; and

WHEREAS, in 2016, the Illinois Department of Natural Resources' Coastal Management Program supported the development of a hydrology plan for Powderhorn Lake that the Forest Preserves did not anticipate being able to implement due to cost and complexity; and

WHEREAS, Audubon Great Lakes, a long-time Forest Preserves conservation and community engagement partner, secured funding from the Great Lakes Commission and the National Oceanic and Atmospheric Administration to conduct this visionary and ambitious project leading to the successful hydrologic reconnection between Powderhorn Lake and Wolf Lake, reestablishing vital marsh habitat for migratory birds, thriving fish nursery, and reducing flooding and erosion in neighboring communities; and

WHEREAS, the Powderhorn Lake Habitat Restoration project also benefitted from the support of = numerous other partner organizations including The Nature Conservancy, Chicago Park District, The Wetlands Initiative and others and demonstrates what is possible through the collective expertise, coordination, and collaboration of dedicated partners.

NOW, THEREFORE, BE IT RESOLVED, that Toni Preckwinkle, President, and the Board of Commissioners of the Forest Preserves Cook County, congratulate the staff and partners involved in both the Chicago Wilderness Excellence in Ecological Restoration Accreditation and George B. Rabb Force of Nature Award and thank them for their commitment to the mission of the Forest Preserves; and

BE IT FURTHER RESOLVED, that a suitable copy of this Resolution be presented to the awardees as a token of appreciation for their service to the Forest Preserves of Cook County and the residents of Cook County...end

PROPOSED RESOLUTION

APPROVING EXTENSION OF THE TERM OF A COLLECTIVE BARGAINING AGREEMENT NEGOTIATED BETWEEN THE FOREST PRESERVES OF COOK COUNTY AND THE ILLINOIS FRATERNAL ORDER OF POLICE LABOR COUNCIL (POLICE OFFICER UNIT)

WHEREAS, the Illinois Public Labor Relations Act (5 ILCS 315/1 et seq.) has established regulations regarding collective bargaining with a union; and

WHEREAS, a Collective Bargaining Agreement between the Forest Preserves of Cook County (the “Forest Preserves”) and the Illinois Fraternal Order of Police Labor Council (Police Officer Unit) is currently in effect for a term of January 1, 2021 through December 31, 2025 covering Police Officers in the Law Enforcement Department of the Forest Preserves (Board Item Nos. 23-0523 and 24-0309); and

WHEREAS, the Forest Preserves and the Illinois Fraternal Order of Police Labor Council (Police Officer Unit) have negotiated an extension to the Collective Bargaining Agreement between the Forest Preserves of Cook County and the Illinois Fraternal Order of Police Labor Council (Police Officer Unit) through December 31, 2027.

NOW, THEREFORE, BE IT RESOLVED, that the Forest Preserves of Cook County Board of Commissioners hereby approves, with respect to such above-referenced Collective Bargaining Agreement, the proposed time extension, a one-time lump sum payment, salary adjustments and general wage increases as follows:

- (a) Extension of the Collective Bargaining Agreement by and between the Forest Preserves of Cook County and the Illinois Fraternal Order of Police Labor Council (Police Officer Unit) for the period of January 1, 2026 to December 31, 2027;
- (b) Effective upon board approval of the extension, a one-time lump sum payment of \$2,500.00 will be paid on the payroll date closest to forty-five (45) days after board approval, to bargaining unit members in the classification of Police Officer in active status on December 31, 2025;
- (c) Effective the first full pay period on or after January 1, 2026, the pay rates for the classification of Police Officer shall be increased by 2%;
- (d) Effective the first full pay period on or after July 1, 2026, the pay rates for the classification of Police Officer shall be increased by 2%;
- (e) Effective the first full pay period on or after January 1, 2027, the pay rates for the classification of Police Officer shall be increased by 4%.

BE IT FURTHER RESOLVED, that the Illinois Fraternal Order of Police Labor Council (Police Officer Unit) members who retired from the Forest Preserves on or after January 1, 2026 are eligible for retroactive pay from January 1, 2026 for hours worked in the Police Officer position included in the extended Collective Bargaining Agreement, as negotiated between the Forest Preserves and Illinois Fraternal Order of Police Labor Council (Police Officer Unit).

BE IT FURTHER RESOLVED, that the Forest Preserves’ Interim Director of Human Resources, Chief Financial Officer, and Comptroller are hereby authorized to implement the salary adjustments and general wage increases as negotiated and otherwise outlined above.

BE IT FURTHER RESOLVED, that the Forest Preserves’ Comptroller is hereby directed to make all payments consistent with this resolution.

A motion was made by Commissioner Anaya, seconded by Commissioner K. Morrison, to approve 26-0010. The motion carried by the following vote:

Presented by: ADAM BIANCHI, General Superintendent

PROPOSED MISCELLANEOUS ITEM OF BUSINESS

Department: Office of the General Superintendent

Good(s) or Service(s): Advertising and Promotional Services

Fiscal Impact: \$300,000.00 per year for up to two (2) years, for a total of \$600,000.00

Accounts: Advertising and Promotional Services 51001.520610

Summary: The Forest Preserves of Cook County (the “Forest Preserves”) is requesting authorization for the General Superintendent or a designee to have discretionary spending up to \$300,000.00 per year for up to two (2) years, totaling up to \$600,000.00, beginning March 1, 2026, and ending February 29, 2028, for advertising and promotional services with a variety of media vendors to promote and showcase the amenities, programs and natural areas of the Forest Preserves. The media vendors would be engaged for periods of one (1) year or less. Media purchases would align with the communications goals of the Forest Preserves, which include focused geographic and demographic outreach to communities in Cook County that have been identified by the Chicago Metropolitan Agency for Planning as Economically Disconnected Areas.

The advertising and promotional spending packages would be suggested by the Forest Preserves’ Communications Division as part of an integrated marketing plan that may include electronic, print, broadcast and out-of-home (billboard) advertising and vetted based on the desired audience, frequency, reach and budget offered by local media. The marketing strategy also complements the short- and long-term goals of the Forest Preserves.

Concurrences: The Chief Financial Officer and Chief Attorney have approved this item.

PROPOSED LICENSE REQUEST

Request: Requesting authorization for the Forest Preserves of Cook County (the “Forest Preserves”), as Licensor to grant a License to Nicor Gas Company, Grantee, to locate, operate and maintain a 4-inch gas main, the total length of which is 2,728 linear feet of pipe on Forest Preserves land, including 2,112 feet on land designated for the operation of a zoo by the Chicago Zoological Society (“Zoo-designated land”) and the remaining 616 feet outside Zoo-designated land. At the standard license width of 15 feet, the license area is 0.21 acre(s) outside Zoo-designated land and 0.73 acre(s) inside Zoo-designated land. Historically, the Zoo has had the autonomy to allow utility infrastructure installation deemed essential to its operation and maintenance without going through the Forest Preserves’ license approval process. Due to part of the licensed area being outside Zoo-designated land, this license request is being submitted to the Board of Commissioners for approval. License fees are only being charged for the portion of the gas main which will be located outside Zoo-designated land. The Zoo’s risk management staff have indicated this secondary gas line is needed as backup service in case of emergencies to avoid disruption in natural gas service. One (1) tree (a callery pear) will need to be removed. The new line will be located substantially within existing rights-of-way and a large portion will be under an existing shared use path.

Term: Ten (10) years

License Fee: \$20,787.88

License Application Fee: \$1,500.00

License Review Fee: \$3,000.00

YELAR Fee: \$7,350.00

Total one-time upfront fee of \$32,637.88 for the term of the License (Sec. 5-2A-4 and 5-2B-4)

Tree Mitigation Fee: \$323.87

The area of the License is: 0.94 acre(s), of which 0.21 acre(s) is outside Zoo-designated land.

Concurrence(s): The Chief Financial Officer has approved this item. Final license agreement is subject to legal review and approval.

Grantee will be required to meet the insurance requirements under the License Agreement.

The Forest Preserves staff have reviewed this license application and plans and have found them to be acceptable; therefore, it is recommended that the Forest Preserves of Cook County Board of Commissioners approve the issuance of this license.

PROPOSED AGREEMENT

Vendor: Memory Lane Stables, Inc., Willow Springs, Illinois

Request: Requesting authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to enter into a parking and trail connection use agreement

Reason: The Forest Preserves currently owns Buffalo Woods, a forest preserve on the east side of Willow Springs. Buffalo Woods surrounds the property owned by Memory Lane Stables, Inc. (“Memory Lane”), a small business that provides primarily equestrian services in the area, including horse rides through Buffalo Woods. Memory Lane is seeking authorization to utilize a small gravel lot, just west of Kean Avenue on Forest Preserves property, for patron parking, as well as a small trail connection directly to the west of its property to stage its horses and access the designated equestrian trail (approximately 3,660 square feet for both areas). The proposed agreement would allow for nonexclusive parking on and access to the small parking area and use of the trail connection by Memory Lane after the payment of the permit fees below. It would also require Memory Lane to maintain the parking area and trail connection throughout the agreement term. The agreement would not be assignable, and Memory Lane would indemnify the Forest Preserves and maintain proper insurance throughout the agreement’s term.

Contract Period: 1/1/2026 (retroactive) - 12/31/2030, with two (2) five-year renewal options to be exercised at the discretion of the General Superintendent

Estimated Fiscal Impact: N/A (Revenue Generating). \$2,520.00 per year for the Initial Term; \$2,680.00 per year for the First Renewal Term; and \$2,970.00 per year for the Second Renewal Term. Payment for the 2026 calendar year will be due March 1, 2026. All subsequent payments will be due by December 1st of the prior year for the upcoming calendar year (e.g. 12/1/2026 for the payment to cover calendar year 2027 etc.)

Account(s): Miscellaneous Income 51001.411467

Concurrence(s): The Chief Financial Officer has approved this item. Final agreement is subject to legal review and approval.

Vendor: Lakeshore Recycling Systems, LLC, Rosemont, Illinois

Request: Authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to enter into and execute

Good(s) or Service(s): Provide Refuse and Recycling Disposal Sites Districtwide

Contract Value: \$900,000.00

Contract Period: 3/1/2026 - 2/28/2029, with one (1) two-year extension option to be exercised at the discretion of the General Superintendent

Estimated Fiscal Impact: FY 2026 \$140,000.00, FY 2027 \$171,000.00, FY 2028 \$178,000.00, FY 2029 \$185,000.00, FY 2030 \$193,000.00 (Optional), FY 2031 \$33,000.00 (Optional)

Accounts: Scavenger and Material 51001.520050

Contract Number(s): #74000017429 issued under RFP 26-52-0001

Concurrences: The Chief Financial Officer has approved this item. Final contract is subject to legal review and approval.

The contract-specific Minority- and Women-Owned Business Enterprise goal for this contract was set to zero.

District(s): Districtwide

Summary: The Forest Preserves would like to contract with Lakeshore Recycling Systems, LLC to provide disposal sites for both refuse and recycling generated throughout the Forest Preserves. The Forest Preserves issued a Request for Proposals (“RFP”) for refuse and recycling services at the four regions throughout the Forest Preserves and received two (2) responses. Lakeshore Recycling Systems, LLC submitted a proposal for regions 1, 2, 3, and 4, and Allied Waste Transportation submitted a proposal regarding regions 1, 3, and 4 only. After a comprehensive review of the proposals, an evaluation committee determined that Lakeshore Recycling Systems, LLC presented the most qualified and cost-effective option for the disposal of refuse Districtwide.

COMMITTEE ITEMS REQUIRING BOARD ACTION

25-0423

Sponsored by: STANLEY MOORE, Forest Preserve District of Cook County Board of Commissioners

PROPOSED PARTNERSHIP AGREEMENT

Request: Requesting authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to enter into a Partnership Agreement with the Eugene S. Pike House Foundation, Inc. (the “Foundation”) and the Beverly Area Arts Alliance (the “Alliance”) for the preservation, restoration, operation and long-term maintenance of the Eugene S. Pike House located at 1826 W. 91st Street, Chicago, Illinois (the “Pike House”).

Reason: This former watchman residence that was built in 1894 has fallen into disrepair and requires significant expenditure to restore the building. Under the proposed agreement, the building and adjacent yard area, approximately 0.3 acres (the “Licensed Area”), would be restored and maintained by the Foundation and the Alliance as a community center at no cost to the Forest Preserves for uses that support the Forest Preserves mission by providing nature-based education, recreation and cultural opportunities.

The critical repairs necessary to stabilize and preserve the Pike House would need to be completed by the Foundation within three (3) years of the effective date of the proposed agreement. The Foundation is proposing to fund most of the work with a major grant from the Illinois Department of Commerce and Economic Opportunity. All construction, including non-critical repair work, shall be completed within five (5) years of the effective date of the proposed agreement, unless otherwise mutually agreed to in writing by the respective parties. If construction on the project does not commence within two (2) years of the effective date, the Partnership/License Agreement will automatically terminate.

The Alliance will be responsible for the daily maintenance of all property within the Licensed Area except for any trees, including but not limited to, keeping the property in good repair, clean, and safe to the public.

The proposed agreement includes terms and conditions relating to the use of the Pike House property by the Alliance that ensures that programs, exhibits and events support the Forest Preserves mission and do not adversely affect the Forest Preserves or adjacent neighbors. Various types of insurance would be maintained by the Foundation and the Alliance throughout the proposed agreement term, and an annual community outreach plan would also be submitted to the Forest Preserves to ensure there is outreach to Cook County residents outside the Beverly Area for the center's various events.

The Forest Preserves previously issued a Request for Expressions of Interest in connection with the Pike House. Emergency roof repairs were previously authorized by the Board of Commissioners on 10/22/2024 (Board Item No. 24-0371). With respect to Title 2, Chapter 5 of the Forest Preserves' Code of Ordinances (Acquisition, Conveyance, License, and Use of District Property), waiver of license related fees and non-applicable provisions is recommended due to the minimal impact to Forest Preserves land and the above benefits of the proposed use.

Contract Period: Twenty-five (25) years from the effective date of the proposed agreement, with automatic renewal in five (5) year increments up to a maximum term of forty (40) years

Fiscal Impact: N/A

Account(s): N/A

Concurrences: The Chief Financial Officer has approved this item. Final agreement is subject to legal review and approval.

District(s): 4

A motion was made by Commissioner Anaya, seconded by Commissioner Britton, to approve 25-0423. The motion carried by the following vote:

Ayes: Aguilar, Anaya, Britton, Daley, Degnen, Gainer, Lowry, McCaskill, Miller, K. Morrison, S. Morrison, Trevor and Vásquez (13)

Excused Absence: Moore, Morita, Scott and Stamps (4)

EASEMENT REQUEST

Request: Requesting authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to grant a temporary easement to the Illinois Department of Transportation (“IDOT”) at Forestway Drive for 0.13 acre or 5,445 square feet for road improvements. Construction is expected to require removal of six (6) trees. In practice, more trees may need to be removed than originally estimated. Any increase in the tree mitigation fee will be in accordance with the Tree Mitigation Plan (see Board Item No. 20-0279), and if such increase is more than 20% of the original estimate, then approval will be sought from the Forest Preserves of Cook County Board of Commissioners.

Reason: The request includes the granting of two (2) small temporary easement areas on either side of Forestway Drive to allow re-construction of the underlying culvert built in 1937 that is very worn and in disrepair. Work in the temporary easement areas would include some excavation and erosion control measures. The Forest Preserves would be responsible for long-term maintenance of the proposed improvements in the temporary easement areas after construction is complete. IDOT would be responsible for the culvert and all other improvements within the existing road Right-of-Way. The term of the temporary easement is five (5) years, or completion of construction, whichever comes first.

Easement Fee: \$2,000.00

Tree Mitigation Fee: \$94,563.47

Concurrence(s): The Chief Financial Officer has approved this item. Final easement is subject to legal review and approval.
