PROPOSED RESOLUTION**HONORING CATHY GERAGHTY, RAQUEL GARCIA-ALVAREZ, XOCHITL LOPEZ, AND THE FOREST PRESERVES OF COOK COUNTY'S YOUTH OUTDOOR AMBASSADOR PROGRAM FOR RECEIVING CHICAGO WILDERNESS GEORGE B. RABB FORCE OF NATURE AWARDS**

WHEREAS, on January 17, 2024, Cathy Geraghty, Raquel Garcia-Alvarez and Xochitl Lopez, and the Forest Preserves of Cook County's Youth Outdoor Ambassador Program were all honored with a Chicago Wilderness George B. Rabb Force of Nature Award during a ceremony held at the Morton Arboretum in Lisle, Illinois; and

WHEREAS, the George B. Rabb Force of Nature Awards recognize individuals and organizations whose conservation, restoration, advocacy or educational activities in the region are inspirational examples for others; and

WHEREAS, Cathy Geraghty, Director of Strategic Initiatives for the Forest Preserves, was recognized as one of the region's most ardent champions of biodiversity, dedicating her professional career and her free time to protecting nature; and

WHEREAS, she has led many successful initiatives, including the Next Century Conservation Plan and the Centennial Campaign Plan and is a founding member of the Chicago Wilderness Alliance, where she has contributed to building an extensive and welcoming network of people who share expertise and resources to improve the environment for people and nature; and

WHEREAS, Raquel Garcia-Alvarez and Xochitl Lopez, volunteer site stewards with the Forest Preserves, were recognized for leading and engaging Latinx communities in conservation at Possum Hollow Woods since 2017; and

WHEREAS, Xochitl and Raquel's leadership and expertise effectively center Latinx and BIPOC communities, building a culture that includes both Spanish and English speakers, welcoming intergenerational families and creating connections for generations to come; and

WHEREAS, the Forest Preserves' Youth Outdoor Ambassador Program was recognized for its efforts to engage young people to serve as "ambassadors" to the Forest Preserves and identify how their peers can become lifelong advocates for nature; and

WHEREAS, the Youth Outdoor Ambassador Program serves as an excellent model for other organizations on how to genuinely engage young people in influencing and improving programming and communication strategies, ensuring that nature thrives and that people of all ages feel connected with their public land agencies.

NOW, THEREFORE, BE IT RESOLVED, that Toni Preckwinkle, President, and the Forest Preserves of Cook County Board of Commissioners thank and congratulate the winners of the Chicago Wilderness George B. Rabb Force of Nature Award and thank them for their commitment to the mission of the Forest Preserves; and

BE IT FURTHER RESOLVED, that a suitable copy of this Resolution be presented to the awardees as a token of appreciation for their service to the Forest Preserves of Cook County and the residents of Cook County.

PUBLIC TESTIMONY

Authorization as a public speaker shall only be granted to those individuals who have registered, with the Secretary, to speak 24 hours in advance of the meeting. To register as a public speaker, go to the meeting details page for this meeting at <https://fpdcc.legistar.com/Calendar.aspx> to find a registration link. Duly authorized public speakers may speak live from the County Board Room at 118 N. Clark Street, 5th Floor, Chicago, Illinois or be sent a link to virtually attend the meeting and will be called upon to deliver testimony at a time specified in the meeting agenda. Authorized public speakers who are not present during the specified time for public testimony will forfeit their allotted time to speak at the meeting. Public testimony must not exceed three minutes; the Secretary will keep track of the time and advise when the time for public testimony has expired. After each virtual speaker has completed their statement, they will be removed from the meeting. Once removed, you will still be able to follow the proceedings for that day at:

<https://www.cookcountyil.gov/service/watch-live-board-proceedings>, or in a viewing area at 69 W. Washington Street, 22nd Floor Conference Room C, Chicago, Illinois. Persons authorized to provide public testimony shall not use vulgar, abusive, discriminatory, profane, or otherwise inappropriate language when addressing the Board; failure to act appropriately, or failure to adhere to the time requirements may result in expulsion from the meeting and/or disqualify the person from providing future testimony. Written comments will not be read aloud at the meeting, but will be posted on the meeting page and made a part of the meeting record.

Summary: The Forest Preserves of Cook County (the “Forest Preserves”) has identified several parcels of land for acquisition that would add to the Forest Preserves’ current holdings near Sweet Woods (the “Property”). The Property, commonly known as 1588 13th Street, Ford Heights, Cook County, Illinois, consists of approximately 56.262 ± acres. The Property has natural and fallowed land.

Through negotiations, the Owners of Record (the “Sellers”), have agreed to sell the Property to the Forest Preserves for the sum of ONE MILLION FOUR HUNDRED TEN THOUSAND DOLLARS AND 00/100 (\$1,410,000.00) plus closing costs up to \$10,000.00 (up to \$1,420,000.00 in total). The purchase price is based upon two (2) M.A.I. appraisals obtained by the Forest Preserves and is subject to the Forest Preserves’ satisfactory completion of its due diligence.

The Property contains three parcels comprising approximately 2.85 ± acres which are located within the Lincoln Highway Corridor Study Area and the Ford Heights-Cottage Grove/Route 30 TIF boundary (the “Study/TIF Area”). The Forest Preserves proposes to use the portion of the Property that overlaps with the Study/TIF Area for Forest Preserves uses authorized under its Enabling Statute. In the interest of full transparency, if within five (5) years of closing on the proposed acquisition another government entity, including without limitation, Cook County, Cook County Land Bank Authority, and the Village of Ford Heights, desires that the Forest Preserves convey the Study/TIF Area to the acquiring government entity for fair market value for a public purpose via the Local Government Property Transfer Act, then the Forest Preserves would be willing to explore such conveyance, subject to approval of the Forest

Preserves' Board of Commissioners.

Permission is now sought, upon satisfactory completion of all due diligence and negotiation of any and all required documentation as determined by the Forest Preserves Legal Department, to effectuate payment in the amount of the purchase price plus closing costs as full compensation for the acquisition of the Property.

This land acquisition advances the goals of the Forest Preserves' Southeast Cook County Land Acquisition Plan, Next Century Conservation Plan, and Acquisition and Disposition of Land Position Paper.

PROPOSED RESOLUTION

FOREST PRESERVES OF COOK COUNTY REVISED REQUIREMENT FOR MODEL POLICE DEPARTMENT PROGRESS REPORTING TO THE BOARD OF COMMISSIONERS

WHEREAS, in 2020, the Forest Preserves of Cook County (“Forest Preserves”) issued a Request for Proposals and retained Hillard Heintze to analyze the Forest Preserves’ Law Enforcement Department (i.e., “Police Department” or “Department”) and recommend best practices to: (a) maintain and strengthen police and community relations, (b) create a work culture that is inclusive and equitable to all people, and (c) support a diverse police force through recruitment, retention and promotion; and

WHEREAS, the final report of the independent analysis of the Department from Hillard Heintze was presented to the Committee on Law Enforcement (the “Committee”) on September 21, 2021, and such report recommended best practices and includes a work plan, timetable, and cost estimates for implementing the best practices, as well as tools to measure progress toward those goals; and

WHEREAS, the report outlined 21 recommendations needed to improve recruitment and retention, update policies and procedures, improve communication across ranks, and enhance police and community relations; and

WHEREAS, one of the key findings is that the Department has a ready, willing and able workforce capable of helping transform the Department into a model police force; however, although those employees interviewed as part of the report were willing to help improve the Department internally, as well as its external relationships, many were concerned that change would not happen once the assessment concluded, and indicated that they have seen previous efforts to assess the Department or effectuate change, that were curtailed or failed to result in meaningful changes; and

WHEREAS, to ensure that the report recommendations are adhered to, and that the Forest Preserves continues to recognize the importance of establishing an aggressive timeline to implement said recommendations and to report back to the Board on progress being made towards achieving said recommendations the Board passed Resolution 21-0474, requesting the Forest Preserves to outline and deliver a detailed timeline for all elements needed to achieve the goal of a Model Forest Preserve Police Department as recommended in the *Independent Analysis of the Forest Preserves of Cook County*

Police Department and that the General Superintendent and the Chief of the Department update the Board via the Committee on progress being made towards achieving such goal on a quarterly basis beginning with the first quarter of the 2022 fiscal year; and

WHEREAS, the Board recognizes and is satisfied that the Forest Preserves' leadership and the Department have made significant progress since the passage of 21-0474 and is confident that this progress will continue.

NOW, THEREFORE, BE IT RESOLVED, that the Forest Preserves Board of Commissioners does hereby rescind the quarterly progress reporting request and replace it with a request for semi-annual reporting of the same subject matter; and

BE IT FURTHER RESOLVED, that effective immediately, the periodicity of these reports shall be January through June and July through December, each of which is to be introduced to the Board and referred to the Committee within the subsequent quarter; and

BE IT FURTHER RESOLVED, that this Resolution shall sunset on December 1, 2026 and that, if so willed by this or future Boards, this reporting requirement may be reinstated, amended or enshrined in future resolutions or ordinances.

PROPOSED GRANT AWARD

Department: Department of Resource Management

Grantee: Forest Preserves of Cook County (the "Forest Preserves")

Grantor: The Morton Arboretum, Lisle, Illinois

Request: Authorization to accept grant

Purpose: Authorization is sought for the Forest Preserves to accept grant and enter into a subrecipient agreement with the Morton Arboretum for tree planting utilizing funds received through the U.S. Forest Service Urban and Community Forestry Program.

Grant Amount: \$30,000.00

Grant Period: 1/12/2024 (retroactive) - 9/30/2025

Fiscal Impact: Not to exceed \$30,000.00 in direct match

Accounts: Professional Services 51034.520840; Grant and Mitigation 51010.521444 and 51010.520840; and all future Professional Services and Grant and Mitigation accounts

Concurrences: The Chief Financial Officer has approved this item. Final subrecipient agreement is subject to legal review and approval.

District(s): 3, 4, 5

Summary: The Forest Preserves has been sub-awarded grant funds from the Morton Arboretum via the U.S. Forest Service Urban and Community Forestry Program to plant a total of eighty (80) trees in picnic groves in south Cook County at Beaubien Woods, Kickapoo Woods, Green Lake, Eggers Grove, and Dan Ryan Woods. These planting efforts serve to reduce the negative impacts of historical ash tree loss due to the Emerald Ash Borer and other stressors that trees in the urban environment face, including impacts from deer, invasive species, and an increasingly stressful climate. Planting sites were selected with due consideration of recreational use, with a majority falling within federally listed disadvantaged communities, which historically experience higher air pollutant levels, flood risk, and above average surface temperatures.

The project will increase forest diversity and resiliency, improve wildlife habitat, and provide additional benefits in the form of improved air and water quality as well as shade for visitors' enjoyment. Trees will consist of a diverse mix of native species.

Total project costs are \$60,000.00, of which the Forest Preserves will contribute \$30,000.00 or 50% in direct match.

PROPOSED GRANT AWARD

Department: Department of Planning and Development

Grantee: Forest Preserves of Cook County (the "Forest Preserves")

Grantor: Illinois Department of Natural Resources, Springfield, Illinois

Request: Authorization to accept grant

Purpose: Authorization is sought for the Forest Preserves to accept and enter into an agreement with the Illinois Department of Natural Resources (IDNR) for Boat Area Access Development (BAAD) grant funding for development of a canoe launch project at Maywood Grove in Maywood, Illinois in Cook County.

Grant Amount: \$80,000.00

Grant Period: 4/1/2024 - 3/31/2026

Fiscal Impact: Not to exceed \$268,000.00 (\$210,000.00 match + \$58,000.00 20% contingency). Estimated match in FY2024: \$214,400.00; and \$53,600.00 in FY2025

Accounts: Land Improvements 51009.560019, 51010.560019, 51033.560019, 51034.560019; and future Construction and Development accounts

Concurrences: The Chief Financial Officer has approved this item. Final grant agreement is subject to legal review and approval.

District(s): 1

Summary: The proposed grant will support the improvement of an existing rustic canoe and kayak launch along the Des Plaines River in Maywood Grove, part of Thatcher Woods, a 245-acre forest preserve in central Cook County, Illinois. The existing carry-in launch is currently used by the Forest Preserves' Greater Maywood Paddling Program, an award-winning initiative that partners with over a dozen organizations. The improved launch will address flooding, erosion, and accessibility and make the launch easier to use for beginners. In addition to improvements at the river edge, the project will include a paved access path from an existing parking lot located only 500 feet away. A new map and information signs will also be installed in the parking lot, where paddlers can also access equipment storage. The proposed accessible paddling launch will provide access for kayaks and canoes to the Des Plaines River which offers opportunities for paddling, fishing, and wildlife viewing. The Forest Preserves will bid construction of the boat launch and related improvements with an estimated total cost of \$290,000.00.

PROPOSED GRANT AWARD

Department: Department of Planning and Development

Grantee: Forest Preserves of Cook County (the “Forest Preserves”)

Grantor: Illinois Department of Commerce and Economic Opportunity, Springfield, Illinois

Request: Authorization to accept grant

Purpose: Authorization is sought for the Forest Preserves to accept and enter into an agreement with the Illinois Department of Commerce and Economic Opportunity (DCEO) for grant funding awarded to conduct improvements of the Gold Star Mothers Memorial within Dan Ryan Woods in Chicago, Illinois in Cook County.

Grant Amount: \$100,000.00

Grant Period: 12/1/2023 (retroactive) - 11/30/2025

Fiscal Impact: Not to exceed \$44,000.00 (\$20,000.00 match + \$24,000.00 20% contingency)

Concurrences: The Chief Financial Officer has approved this item. Final grant agreement is subject to legal review and approval.

District(s): 4

Summary: The Forest Preserves has been awarded funds to support infrastructure improvements to the existing Gold Star Memorial in Dan Ryan Woods, a 257-acre forest preserve, and one of only a handful of preserves located within the City of Chicago. The Gold Star Mothers Memorial honors the families who have lost a loved one in the service of their country and was originally dedicated after World War I and relocated near the new Visitors Center in 2018. The proposed improvements will include a new accessible gathering space around the memorial, with seating and permeable pavers. Native grasses and plants will also be added to create a visual separation from 87th Street. A new security camera will also be added to discourage vandalism.

Summary: On 9/20/2022, the Forest Preserves of Cook County Board of Commissioners approved the acceptance of grant funding from IDNR's Open Space Lands Acquisition and Development (OSLAD) grant program (Board Item No. 22-0363) to implement improvements including reconstruction of existing boat launch ramps and onshore fishing boardwalk, an accessible canoe/kayak launch system, a new program shelter and interpretive signs, and a restroom and trail connection to the adjacent neighborhood of Altgeld Gardens. A no-cost time extension of the grant agreement for twelve (12) months is being requested to allow for the completion of the work. The delay is primarily due to the Forest Preserves' need to acquire an easement in order to connect water service for the new restroom building. The easement acquisition is expected to be completed around September 2024.

PROPOSED GRANT AWARD AMENDMENT

Department: Department of Planning and Development

Grantee: Forest Preserves of Cook County (the "Forest Preserves")

Grantor: The Illinois Department of Natural Resources ("IDNR"), Springfield, Illinois

Request: Authorization to extend grant agreement.

Purpose: To improve approximately three (3) miles of trail and enhance ADA access at two (2) trailhead parking lots at Tinley Creek Trail, located in Oak Forest, Illinois in the southwestern part of Cook County, Illinois.

Supplemental Grant Amount: N/A

Grant Period: 4/5/2022 - 3/31/2024

Extension Period: 4/1/2024 - 5/2/2025

Fiscal Impact: Original - Local match not to exceed \$514,000.00; total estimated project cost: \$714,000.00 (\$595,000.00 plus 20% contingency). There is no additional cost associated with the extension.

Accounts: Land Improvement 51010.560019 and 51029.560019

Date of Previous Board Authorization for Grant: 4/5/2022 (Board Item No. 22-0188)

Previous Grant Amount: \$200,000.00

PROPOSED PARTNERSHIP AGREEMENT

Request: Requesting authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to enter into a Partnership Agreement with the Chicago Horticultural Society, Glencoe, Illinois.

Reason: The Forest Preserves and the Chicago Horticultural Society, which operates the Chicago Botanic Garden (the “Garden”), seek to partner for cooperative land management at Turnbull Woods, and to utilize the Garden’s unique expertise in plant propagation to assist with the launch of the Forest Preserves’ in-house seed amplification program. The Garden is a recognized global leader at the forefront of research on floristic genetics and species diversity for landscape restoration efforts throughout the Upper Midwest. Through this partnership, the Garden would recruit, hire, and train a plant Nursery Manager and a Nursery Technician to support restoration on Forest Preserves properties through the development of seed beds, greenhouse infrastructure, collection and propagation of seed, etc. The Garden will staff the positions for a two-year period starting in 2024. Cultivating native seed and plants from local populations is critical to the resiliency of ecological restoration efforts throughout the preserves by ensuring that native plants are genetically adapted to our local habitats.

This partnership would also provide support for the Garden’s Stewardship and Ecology of Natural Areas (“SENA”) internship program to conduct ecological restoration activities at Turnbull Woods. The SENA program provides advanced workforce training for aspiring natural resource professionals, with a focus on stewardship, ecological monitoring, data collection and analysis. The SENA interns, under the Garden’s

direction, will conduct invasive species removal, seed collection, prescribed burning and other restoration actions in accordance with the Forest Preserves’ approved management schedule.

The Forest Preserves has a long history of cooperation with the Garden on shared initiatives, including without limitation, the Plants of Concern Program (Board Item No. 22-0375), Joint Purchasing Initiatives (Board Item No. 20-0142), and ARPA Projects (Board Item No. 23-0308).

Contract Period: Date of execution - 12/31/2027

Fiscal Impact: Not to exceed \$432,800.00 (\$332,800.00 for Seed Amplification Program and \$100,000.00 for SENA internship program). Additionally, the Garden is contributing an additional \$264,555.00 of in-kind support.

PROPOSED CONTRACT AMENDMENT

Department(s): Department of Conservation and Experiential Programming

Vendor: Niles Animal Hospital PC, Niles, Illinois

Request: Authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to extend and increase contract

Good(s) or Service(s): Ambassador Animal Veterinary Services

Original Contract Period: 3/15/2021 - 3/14/2024

Proposed Contract Period Extension: 3/15/2024 - 12/31/2024

Total Current Contract Amount Authority: \$150,000.00 not to exceed \$50,000.00 per year.

Original Approval: 3/14/2021

Previous Increase(s): N/A

This Increase Requested: Not to exceed \$50,000.00

Estimated Fiscal Impact: FY 2024, not to exceed \$50,000.00

Accounts: Professional Services 51001.520840

Contract Number(s): #74000009050

Concurrences: The Chief Financial Officer has approved this item. Final amendment is subject to legal review and approval.

The contract-specific Minority- and Women-Owned Business Enterprise goal for this contract was set to zero.

District(s): Districtwide

Summary: The Forest Preserves is requesting an extension of the contract with Niles Animal Hospital for veterinary service for the Ambassador Animal program through the end of the year. We will be issuing a new Request for Proposals or Qualifications for veterinary services this year and need the additional time to go through that process. While we are awaiting bids we need to have a licensed veterinarian on contract to care for our Ambassador Animals. The original contract was awarded based on a 2020 RFP. At that time, it was determined that the MBE/WBE goal would be set at zero due to the nature of the contract and the lack of options for subcontractors. With the Forest Preserves’ new Ambassador Animal protocols in place, we are considering a Request for Qualifications in order to contract with more veterinarians from around the county and closer to all the different Nature Centers.

Contract Number(s): #74000008784 issued under Request for Proposal #20-80-52

Concurrences: The Chief Financial Officer has approved this item. Final amendment is subject to legal review and approval.

The contract-specific Minority- and Women-Owned Business Enterprise goal for this contract was set to zero.

District(s): Districtwide

Summary: The Forest Preserves issued a Request for Proposals in 2020 to assist in its developing strategies and action plans to operate on 100% clean energy by 2030 and to be carbon neutral by 2050. Eleven (11) firms submitted proposals. A selection committee reviewed the proposals and found 360 Energy Group, LLC to be the most responsive.

Services provided have included in-depth analysis of the Forest Preserves' largest energy-using buildings to identify energy and building envelope strategies to address energy efficiency challenges. The resulting studies were used to develop a Clean Energy Action Plan (completed in 2023) with specific scopes of work and strategies to solicit future professional services along with the development of Green Building Standards for both the rehabilitation of existing buildings and for new construction, which are still in process.

This requested extension and increase will be used for additional prioritization of energy-related improvements, as well as monitoring recommendation results and adjustments to the overall implementation plans as needed.

The contract was originally awarded by the Board on 2/24/2021 (Board Item No. 21-0128). Additional work would be most efficiently completed by extending and increasing the current consultant contract.

PROPOSED MISCELLANEOUS ITEM OF BUSINESS

Department: Office of the General Superintendent

Good(s) or Service(s): Advertising and Promotional Services

Fiscal Impact: \$300,000.00 per year for up to two (2) years, for a total of \$600,000.00

Accounts: Advertising and Promotional Services 51001.520610

Summary: The Forest Preserves of Cook County (the "Forest Preserves") is requesting authorization for the General Superintendent or a designee to have discretionary spending up to \$300,000.00 per year for up to two years, totaling up to \$600,000.00, beginning March 1, 2024, and ending February 28, 2026, for advertising and promotional services with a variety of media vendors to promote and showcase the amenities, programs and natural areas of the Forest Preserves. The media vendors would be engaged for periods of one (1) year or less. Media purchases would align with the communications goals of the Forest Preserves, which include focused geographic and demographic outreach to communities and populations in Cook County impacted by a history of racial inequity.

The advertising and promotional spending packages would be suggested by the Forest Preserves' Communications Division as part of an integrated marketing plan that may include electronic, print, broadcast and out-of-home (billboard) advertising and vetted based on the desired audience, frequency, reach and budget offered by local media. The marketing strategy also complements the short and long-term goals of the Next Century Conservation Plan, as well as other short and long-term goals of the Forest Preserves.

EASEMENT REQUEST

Request: Requesting authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to grant a temporary easement to the Illinois Department of Transportation (“IDOT”) at 123rd Street in Palos Hills for 0.082 Acres or 3,572 square feet for construction access. The construction would impact twenty-two (22) living trees and two (2) dead trees, resulting in tree mitigation fees. In practice, more trees may need to be removed than originally estimated. Any increase in the tree mitigation fee will be in accordance with the Tree Mitigation Plan (see Board Item No. 20-0279), and if such increase is more than 20% of the original estimate, then approval will be sought from the Forest Preserves of Cook County Board of Commissioners.

Reason: IDOT intends to replace an existing culvert under the road at 123rd Street and 93rd Avenue in Palos Hills and requests this temporary easement for site access. The term of the temporary easement is five (5) years, or completion of construction, whichever comes first.

The area needed for construction access will not require a permanent easement but only a temporary easement of approximately 0.082 acres. IDOT indicates that twenty-four (24) trees are expected to be removed for this project.

Easement Fee: \$1,400.00

Tree Mitigation Fee: \$233,343.78

Concurrence(s): The Chief Financial Officer has approved this item. Final easement is subject to legal review and approval.
