PROPOSED RESOLUTION**TO AUTHORIZE THE FOREST PRESERVES OF COOK COUNTY TO ENTER INTO LOCAL AGENCY AND ENGINEERING SERVICE AGREEMENTS FOR CONSTRUCTION MANAGEMENT OF THE SAND RIDGE BICYCLE TRAIL**

WHEREAS, the Forest Preserves of Cook County (the "Forest Preserves") has sought and been awarded funds from the Illinois Transportation Enhancement Program ("ITEP Grant"), a federally-funded program administered by the Illinois Department of Transportation ("IDOT"), to facilitate the construction of 1.3 miles of the Sand Ridge Bicycle Trail (hereafter the "Project"); and

WHEREAS, IDOT requires a resolution to reaffirm the Forest Preserves funding commitment for Phase III Engineering (construction management) and Construction costs associated with the Project as per the Local Agency Agreement; and

WHEREAS, the Local Agency Agreement also provides for the division of Phase III and Construction costs for the Project and payment of 20% of the engineering and construction costs by the Forest Preserves as the Local Agency; and

WHEREAS, ITEP provides 80% (or maximum of \$56,000.00) of Phase III Engineering costs for the Project estimated at \$70,000.00; and

WHEREAS, in order to meet deadlines for use of the funds provided via the ITEP Grant, IDOT

recommends that a consulting engineering firm be employed to perform Phase III Engineering construction management services; and

WHEREAS, in 2013, the Forest Preserves issued an RFQ for Phase I, II, and III Engineering Services and subsequently selected Christopher B. Burke Engineering, Ltd., Rosemont, Illinois (CBBEL) to serve as Consulting Engineers for Phases I, II and III; and

WHEREAS, CBBEL's Phase III Engineering costs are \$69,696.55, ITEP funds will cover 80% (\$55,757.24) of the costs of Phase III Engineering Services to be provided in connection with the Project and the Forest Preserves shall be responsible for 20% of the cost of Phase III Engineering or \$13,939.31 in connection with the Project; and

WHEREAS, ITEP provides 80% (or maximum of \$546,000.00) of Construction costs for the Project estimated at \$682,000.00; and the Forest Preserves 20% local share of the construction cost is estimated at \$136,500.00; and

WHEREAS, IDOT is responsible for the bid letting and award of construction contracts and has accepted an apparent low bid from Iroquois Paving Corporation in the amount of \$607,080.16; and

NOW, THEREFORE BE IT RESOLVED that the Board of Commissioners of the Forest Preserves hereby authorizes the Forest Preserves, through its President, to enter into a local agency agreement (the "Local Agency Agreement"), with the Illinois Department of Transportation ("IDOT") to pay construction and phase III engineering service costs associated with the Project, subject to reimbursement of 80% by IDOT.

NOW, THEREFORE BE IT RESOLVED that the Forest Preserves of Cook County Board of Commissioners hereby authorize the Forest Preserves to pay 20% of the construction cost to IDOT pursuant to the Local Agency Agreement.

BE IT FURTHER RESOLVED that Christopher B. Burke Engineering, Ltd, of Rosemont Illinois be employed to perform Phase III Engineering services in connection with the Project, and that the President of such Board of Commissioners is hereby directed to execute, on behalf of the Forest Preserves, an agreement by and between the Forest Preserves and CBBEL for Phase III Engineering services (the "Engineering Services Agreement").

BE IT FURTHER RESOLVED that, the Forest Preserves of Cook County Board of Commissioners hereby confirms that sufficient funds are available in the Forest Preserves Construction & Development Fund Trail accounts 51009.560063, 51025.560063, 51054.560063, 51055.560063, 51055.560063, 51057.560063, 51058.560063; and Construction and Management Service accounts 51009.520860, 51025.520860, 51054.520860, 51055.520860, 51056.520860, 51057.520860, 51058.520860, and Grant account 51010.520860, and have been designated, to pay the total cost of Phase III Engineering services in the amount not to exceed \$69,696.55 of which the Illinois Department of Transportation will reimburse 80% or up to \$55,757.24 and the Forest Preserves' ultimately shall be responsible for 20% of the Phase

III Engineering costs or a maximum of \$13,939.31, in addition to, 20% of construction costs not to exceed \$136,500.00.

BE IT FURTHER RESOLVED that copies of the Local Agency Agreement and the Engineering Services Agreement for Federal Participation, when executed in their respective final form, shall be submitted to the IDOT for approval and final processing.

PROPOSED GRANT AWARD

Department: Resource Management

Grantee: Forest Preserves of Cook County (the “Forest Preserves”)

Grantor: The Nature Conservancy via the National Fish and Wildlife Foundation

Request: Authorization to accept grant

Purpose: The Forest Preserves has been sub-awarded funds from the National Fish and Wildlife Foundation (“NFWF”) in support of habitat restoration activities at Thornton-Lansing Road Nature Preserve in Lansing and other sites within the Calumet region. These NFWF grant funds are provided through the Save Our Great Lakes Program.

Grant Amount: \$170,000.00

Grant Period: 1/1/2019 - 12/31/2020

Fiscal Impact: \$170,000.00 match

Accounts: Habitat Enhancement 51009.521452 and 51058.521452, Habitat Restoration 51009.521444 and 51058.521444, EAB Tree Removal 51009.521456 and 51058.521456, Vegetation Management 51009.521455 and 51058.521455, Intern Programs 51009.521525 and 51058.521525, Grant Match and Work Fund 51009.521440, Grant & Mitigation 51010.5131

Concurrences:

The Chief Financial Officer and Deputy Chief Attorney have approved this item.

District(s): 4 and 6

Summary: The Nature Conservancy recently received a grant in the amount of \$574,507.00 from the National Fish and Wildlife Foundation to restore coastal wetlands in the Calumet region. The Forest Preserves have been sub-awarded a portion of these funds to complete 56 acres of wetland restoration at Thornton-Lansing Road Nature Preserve in south Cook County. In addition, through collaboration with other partners, 18 acres of wetland swale and adjacent upland habitat will also be revisited at Powderhorn Prairie and Marsh Nature Preserve in Burnham as well as comprehensive monitoring of wetland bird populations across the project sites, providing information regarding the impact of restoration on wildlife throughout the region.

This project will be conducted in partnership with the Nature Conservancy, Chicago Park District,

Audubon Chicago Region, and Greencorps Chicago. This project advances the goals of the Next Century Conservation Plan and the Natural and Cultural Resources Master Plan, which identified Thornton-Lansing Road Nature Preserve and Powderhorn Prairie and Marsh Nature Preserve as two (2) of the highest priority landscapes for conservation and ecological restoration.

Total project costs for the Forest Preserves' portion of the project are \$340,000.00, with a 50/50 match contribution by each partner.

EASEMENT REQUEST

Request: Requesting authorization for the Forest Preserves of Cook County (the "Forest Preserves") to grant a permanent easement to the Illinois Department of Transportation ("IDOT") at 147th Street and Menard Avenue in the Tinley Creek Preserves for 0.492 acre or 21,430 square feet.

Reason: IDOT proposes to replace two (2) existing culverts under 147th Street to reduce flooding on the street and in the adjacent neighborhood. The permanent easement area is for grading and maintenance of the downstream outfall area.

No structures are proposed to be built on Forest Preserves' land.

The area for the permanent easement is 0.492 acre. IDOT indicates that two (2) trees are expected to be removed for this project.

Easement Fee: \$8,000.00 FMV

Tree Mitigation Fee: \$19,367.17

EASEMENT REQUEST

Request: Requesting authorization for the Forest Preserves of Cook County (the "Forest Preserves") to

grant a temporary easement to the Illinois Department of Transportation (“IDOT”) at Illinois Route 58 Golf Road between East River Road and College Drive in Big Bend Lake, Kloempken Prairie, and Lions Woods Forest Preserve for 0.208 acre or 9,044 square feet.

Reason: IDOT requests temporary easements for regrading of existing berms along Golf Road to reduce flooding on the roadway near the CN Railroad underpass. The berms were originally constructed in 1930 and have eroded and/or settled over time. The berms are proposed to be raised to their original elevations.

The term of the temporary easement is five (5) years, or completion of construction, whichever comes first.

The existing berms are the only structures proposed to be rebuilt on Forest Preserves’ land.

The area for the temporary easement is 0.208 acre. IDOT indicates that thirty-two (32) trees are expected to be removed for this project.

Easement Fee: \$1,800.00 FMV

Tree Mitigation Fee: \$67,055.82

Concurrence(s):

The Chief Financial Officer has approved this item. Final agreement is subject to legal review and approval.

EASEMENT REQUEST

Request: Requesting authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to grant a permanent easement to the Illinois Department of Transportation (“IDOT”) at Illinois Route 58 Golf Road between East River Road and College Drive in the Big Bend Lake Forest Preserve for 0.281 acre or 12,241 square feet.

Reason: IDOT requests a permanent easement along an existing access road on the south side of Golf Road which provides access to its pumping station. The road has provided access to the pumping station since it was built around 1930, however there is no known easement agreement for use of the road.

No additional structures are proposed to be built on District land.

The area for the permanent easement is 0.281 acre. IDOT indicates that no trees are expected to be

removed for this project.

Easement Fee: \$900.00 FMV

Tree Mitigation Fee: None

PROPOSED INTERGOVERNMENTAL AGREEMENT RENEWAL

Department: Resource Management

Other Part(ies): Village of Palatine, Palatine, Illinois

Request: Authorization to extend an existing Intergovernmental Agreement with the Village of Palatine

Goods or Services: Maintenance of a buffer zone between Forest Preserves of Cook County (the "Forest Preserves") property and residential homes at the northeast corner of Deer Grove East in the Village of Palatine, Illinois

Agreement Number: N/A

Agreement Period: Original contract period 5/7/2013 - 5/6/2018; Proposed renewal period 5/7/2018 retroactive - 5/6/2028

License Fee: (waived)

License Application Fee: (waived)

YELAR Fee: (waived)

Tree Mitigation Fee: N/A

Accounts: N/A

District(s): 14

Summary: The Forest Preserves would like to extend the aforementioned Intergovernmental Agreement (“IGA”) with the Village of Palatine for ten (10) years. This IGA grants the Village of Palatine limited access to Forest Preserve property for the purpose of establishing and maintaining a vegetative buffer between the Forest Preserves and residential homes at the northeast portion of Deer Grove East, immediately south of Brentwood Drive and east of Westwood Lane. The proposed work will not be conducted beyond fifty (50) yards of the Forest Preserves’ property line, and will be maintained at no cost to the Forest Preserves. The Village of Palatine will be responsible for all mowing and vegetation reduction in the area adjacent to homeowner properties annually, following the Forest Preserves’ approval of an annual work plan.

This maintenance mitigates growth and excessive height of invasive vegetation directly abutting residential properties. The Village of Palatine has been conducting such vegetation maintenance activities under the existing IGA since 2013 at no cost to the Forest Preserves.

Summary: This Intergovernmental Agreement (“IGA”) grants the Northbrook Park District use of a chain link fence located at the southwest corner of Somme Prairie Nature Preserve and owned by the Forest Preserves, for the purpose of operating an off-leash dog area at Coast Guard Park. In exchange for shared use of the fence, the Northbrook Park District is responsible for routine maintenance in order to keep the fence secure and in good condition, at no cost to the Forest Preserves. Additionally, the Forest Preserves are allowed reasonable access to the service gates at the park for maintenance of adjacent Forest Preserves properties.

The Forest Preserves would like to exercise its option to renew the aforementioned IGA with the Northbrook Park District for an additional five (5) years.

Other Part(ies): Cook County Government, Chicago, Illinois

Request: Authorization for the Forest Preserves of Cook County (the “Forest Preserves”) to enter into and execute an amendment to the Sixth Amended and Restated Intergovernmental Agreement with the County of Cook for certain services.

Goods or Services: County of Cook and the Forest Preserves desire to add additional reimbursable services under the Agreement.

Agreement Number: N/A

Agreement Period: 1/1/2018 - 12/31/2018

Fiscal Impact: Current fiscal impact: \$2,027,058.00 in expenditures and \$229,530.00 in revenue. With amendment, expenditures increase by \$80,000.00 and revenue by \$600,000.00.

Accounts: Various districtwide corporate accounts

District(s): Districtwide

Summary: This IGA amendment is for additional services involving Cook County, the Cook County Sheriff Department and the Forest Preserves' Police Department. The amendment memorializes the terms under which the parties have agreed to reimburse each other for the costs, or portion thereof, of providing certain services to each other.

Parcel(s): Surplus Parcel A

Fiscal Impact: \$93,000.00 in revenue

Accounts: Anticipated Land Sales/Surplus 510006.411466

District(s): 9

Summary: The Forest Preserves of Cook County (the “Forest Preserves”) recently concluded negotiations for the sale of a Surplus Parcel that has been approved for sale by the State Legislature, Surplus Parcel A, consisting of approximately 0.208 acres (the “Surplus Parcel”). The Surplus Parcel is not contiguous with or connected to any other Forest Preserves property. The Surplus Parcel is immediately adjacent to, and completely surrounded by, the neighboring property, 5035 North River Road, Schiller Park, Illinois.

During the mid-1980’s, Forest Preserves staff undertook a comprehensive study of all Forest Preserves holdings, resulting in a list of 30 parcels being considered for disposal. Subsequently, the Forest Preserves sought and obtained permission, on 9/23/1985 via Public Act 84-867, from the State Legislature to offer 27 of the 30 aforementioned parcels for sale with the monies to accrue to the Forest Preserves Real Estate Acquisition Fund. On 8/16/2001, via Public Act 92-0403, the State Legislature authorized the sale of an additional 5 surplus parcels including the Surplus Parcel.

The adjacent property owner, 5035 N. River Road, LLC (the “Buyer”), has agreed to buy the Surplus Parcel from the Forest Preserves for the sum of NINETY-THREE THOUSAND DOLLARS AND 00/100 (\$93,000.00). The purchase price is consistent with M.A.I. certified appraisals obtained by the Forest Preserves.

Permission is now sought, upon satisfactory completion of all due diligence and negotiation of any and all required documentation as determined by the Forest Preserves’ legal department, to accept the aforementioned purchase price, less any customary closing costs, as full compensation for the sale of the Surplus Parcel and to convey by quitclaim deed all of the Forest Preserves’ right, title and interest in the Surplus Parcel.

Summary: The Forest Preserves issued a Request for Proposals to perform energy efficiency studies for the Central Garage in Maywood. Five (5) firms submitted proposals. A selection committee (including Cook County's Energy Manager) reviewed the proposals and found WMA Consulting Engineers, Ltd to be the most responsive.

The Central Garage is critical to the Forest Preserves' operations. It was originally built in 1919 and has a

boiler that is over 65 years old as well as other antiquated systems. Contract #74000003046 (issued under Request for Proposal 17-80-85) include analysis of existing mechanical systems, energy evaluations, project priorities, design services, construction documents and limited construction administrative services for a building energy efficiency project to help achieve the Forest Preserve's sustainability energy efficiency objectives and to address operational improvements at the existing Central Garage. Optional extension years are for post construction energy efficiency monitoring and validation services to ensure that equipment is performing to energy efficiency benchmarks.

The two (2) one-year extension options may be exercised at the discretion of the General Superintendent or a designee.

Summary: On 6/24/2013, the Forest Preserves issued a Request for Qualifications for Phase I, II and III Engineering Services for the Sand Ridge Bicycle Trail. Agreements for Phase I & II Engineering were executed between Christopher B. Burke Engineering, Ltd. (“CCBEL”) and the Forest Preserves. Both Phases I & II Engineering are now complete. Phase III engineering includes construction management and inspection services for approximately 1.3 miles of bicycle trail from Sand Ridge Nature Center to Green Lake Aquatic Center and the Burnham Greenway. CBBEL was selected on a sole source basis to complete Phase III Engineering Services based on its qualifications and familiarity with the project based on completion of Phase I&II work. IDOT requires a Local Agency and Engineering Service Agreement for each phase of the project to reaffirm the District’s funding commitment for 20% of the total project cost.

The professional fees for phase III engineering services shall not exceed \$70,000.00. A federal Illinois Transportation Enhancement Program (ITEP) grant administered by the Illinois Department of Transportation (“IDOT”) will fund 80% (\$56,000.00), and the Forest Preserves is responsible for the remaining 20% (\$14,000.00), of the total fees.
