I just want to say that you all should do the right thing and let rocky go to the wild animal sanctuary. You all know that what you are doing is wrong. There is absolutely no way you are following federal guidelines when prisoners have more room to roam than this beautiful wild animal. You know you're wrong. I encourage you to do the right thing and let rocky go. Just know this. We are not going away and we are not going to stop fighting for Rocky. He is not a circus animal or a side show.

He deserves a better life which you have all hear over and over again from so many people. Please do what is right. Cook County Commissioners,

The plight of Rocky the coyote and other animals is now being followed by many organizations and media outlets. Keeping animals captive in inhumane environments is prosecutable.

Chicago is supposed to be a progressive city and this is what you do? This is disgusting animal abuse. Good thing it's an election year. Time to vote abusers out!

Release the coyote to the sanctuary and put an end to your cruel ambassador program.

Sincerely,
Dayton Dunn

Hello,
We all know Rocky's plight.
He's in his situation because of human error.
We have a perfect opportunity to send him to the sanctuary where he can live out his life in better surroundings.
He is NOT an ambassador animal and he should not be "trained" as though he is a domesticated dog. He is a wild animal and deserves a much better life than he currently has.
I feel that all of you know this and yet none of you are listening and advocating for Rocky.
We elect our officials in the hopes they'll do the right thing by everyone.
I'm imploring all of you to do the right thing now.
Thank you,
Amy Begoun

Dear Commissioners,

I've reviewed Nicole Milan's recent trip videos and photos to the Wild Animal Sanctuary here: <https://sparkvp.com/rocky-the-coyote/>

How could you deny this beautiful creature this opportunity to have natural acreage to run instead of his tiny cage for people to temporarily oogle at him? Please tap into an ounce of empathy and common sense and release him!

Dear Cook County Commissioners,

Please release the coyote to the sanctuary. I've visited the Wild Animal Sanctuary and learned about their rehabilitation process. It's safe and ALL of the animals there are happy, and don't display any signs of stress as Rocky does in his cage.

Please consider reviewing videos here where Rocky will be kept: <https://sparkvp.com/rocky-the-coyote/>

The Wild Animal Sanctuary has acreage for Rocky to roam, a fully staffed and stocked vet clinic on the premises, an opportunity for Rocky to be safely introduced to another coyote, fantastic burrow dens and an opportunity for a natural environment away from the stressful crowds that congregate around his cage in the parking lot. Please release Rocky! We are not going away.

Sincerely,

Commissioners,

Release the coyote to the Wild Animal Sanctuary! Please give him a chance at a normal, natural life on acreage. Stop this animal abuse! With everything else going on in the world, you have the power to do something benevolent. Please consider being progressive and stop this sick practice of keeping healthy animals captive.
