Rocky has exhibited several signs of stress due to his unnatural environment, cramped living conditions, and lack of stimulation. He was put on medications, as a result. This is no life for any animal. He deserves better, and you can make that happen. Please use your power as government officials and have Rocky, the coyote, released to an accredited, spacious sanctuary where his unique needs can be met. He has suffered way too long! Thank you in advance for opening your hearts to this animal and doing the right thing.

Save Rocky from the cage he's been held captive in and give him freedom to live his life as he wants at The Wild Animal Sanctuary. I've been to the sanctuary and its wonderful seeing the animals that were in places similar to Rocky's current cage and given them a life of freedom like Rocky could have. Humans have made his life so far treated nothing like the Coyote he should have been given. Start thinking of him and set him as free as he can be now that people have tainted him for the wild. Thank you for letting me speak for Rocky who has had no voice in his life so far.

Hello,
Please free Rocky to be moved to the Wild Animal Sanctuary.
There is no reason for the prolonged delay. Unless someone stands to gain from his hideous existence.
He will eventually perish in his horrible conditions if he's not transferred.
And that will rest on all your shoulders.
Put aside whatever monetary or egoistic ideas you're all hanging on to, and give him a better life.
Thank you
Amy Begoun

Rocky is currently isolated and confined in a cage with minimal enrichment. He is not able to engage in normal, instinctive behaviors or socialize with other coyotes. This is not educational because children are not seeing him in his natural environment. He shows signs of anxiety and has been medicated for this. He is living a sad, artificial and inhumane life. Rocky needs to be released to sanctuary where he will have more space and others of his own kind. Please take this into serious consideration. Thank you

Dear Commissioners,

Our family hopes you've arrived at the right decision to let the coyote go to the sanctuary. Please do not be selfish and inhumane. We can't understand why a great gift for him to go to a new home on acreage has taken so long. Why can't you just let him go? Please do the right thing. Thank you.

Dear Cook County Commissioners,

PETA's action alert warned me of Rocky's situation. He should be a catalyst for change. Keeping healthy animals captive in a small cage causes stress. What you are doing is unethical. Release him to the sanctuary or give the poor animal acreage to roam!
