Hello,

As per Tony's email below, can we please cancel the 3/14 FPD WC committee meeting? There are no settlements to approve.

Thank you,
Jen

Good afternoon Commissioner Morrison,

Unfortunately, (and unexpectedly) the attorneys representing the petitioner on the settlement scheduled for the Worker's Compensation committee on 3/14 have withdrawn from the agreement previously reached, therefore there is currently no settlement to approve at the Committee Meeting. We would request that the meeting previously noticed for 3/14 be cancelled as there are no settlements to approve.
