NeighborSpace-protected gardens give young and old alike an opportunity to get their hands in the earth and enjoy nature, right in their own neighborhoods.

CEP connects diverse audiences to nature through a wide range of educational and outdoor recreation experiences and is also responsible for community engagement and committed to developing relationships with citizens to energize them and connect them to nature. CEP works with program partners at the local level on programming, building relationships with groups to become long-term advocates, stewards and ambassadors of the Forest Preserves.

The Forest Preserves of Cook County, the City of Chicago, and the Chicago Park District worked together to establish NeighborSpace as a non-profit in 1997. These three (3) governmental agencies continue to provide leadership and financial support to protect community-managed open spaces in Chicago.

The Forest Preserves is also represented on the NeighborSpace Board by Commissioner Dennis Deer.
