On agenda:	6/25/2019	Final action:			6/25/2019
Title:	PROPOSED PARTNERSHIP AGREEMENT				

Request: Requesting authorization for the Forest Preserves of Cook County (the "Forest Preserves") to enter into a Partnership Agreement with Resource Environmental Solutions ("RES"), Bellaire, Texas.

Reason: The proposed agreement will authorize the Forest Preserves to partner with RES to develop, manage and maintain a wetland mitigation bank at the Paul Douglas Preserve in Hoffman Estates. The projects will provide a restoration of wetlands that will benefit wildlife and restore native vegetation to a degraded portion of the preserve. Project design will require approval by the Forest Preserves, which will assume management of the project at the end of the five (5) year restoration work.

RES is an ecological restoration and water resource solutions company that partners with government agencies and other landowners to match restoration needs with mitigation needs.
