The contract-specific Minority- and Women-Owned Business Enterprise goal for this contract was set to zero.

**District(s):** Districtwide

**Summary:** The Department of Fleet and Facilities has numerous New Holland agricultural tractors used extensively by the Departments of Landscape Maintenance and Resource Management. These tractors require Original Equipment Manufacturer (OEM) parts when repairs are needed. These repairs are performed by the Department of Fleet and Facilities in-house mechanics and technicians. Alta Equipment Company is the only authorized dealer of these parts in northeast Illinois. This is a sole source procurement.
