PROPOSED RESOLUTION

RECOGNIZING ELK GROVE HIGH SCHOOL AP ENVIRONMENTAL SCIENCE CLASS

WHEREAS, the Elk Grove High School AP Environmental Science class has completed an in depth study of the water quality in Busse Woods; and

WHEREAS, the AP Environmental Science class consists of 48 junior and senior students who elected to take the course; and

WHEREAS, the tests were conducted in Busse Woods at both Busse Lake and Salt Creek in September 2013; and

WHEREAS, the students used the Water Quality Index test which are typically used by professionals in the field of environmental science;

WHEREAS, the tests are used to measure the water quality and identify any problems in the water supply; and

WHEREAS, the results showed that the water quality was average, showing no indications of any problems in the water quality; and

WHEREAS, the students worked to compile into a detailed lab report which they would like to turn over to the Cook County Forest Preserve District.

NOW, THEREFORE BE IT RESOLVED, the Board of Commissioners of the Forest Preserve District of Cook County would like to recognize and congratulate the AP Environmental Science Class from Elk Grove Village High School and its study and report of the water quality in the Cook County Forest Preserve District; and

BE IT FURTHER RESOLVED, that this resolution is presented to the students from the Elk Grove High School AP Environmental Science class.
