Summary: The Preserves has identified a parcel of land for acquisition that would add to the Preserves' current holdings near King's Grove (the "Property"). The Property, commonly known as 31 Monee Road, Park Forest, Cook County, Illinois 60466, consists of approximately 1.051± acres. The Property is located immediately adjacent to land owned by the Preserves and would add, and provide a buffer to, the District's holdings in the area.

Through negotiations, The Land Conservancy of Will County, an Illinois Not for Profit Corporation (the "Donor"), has agreed to donate the Property at no charge to the District. The Property has an estimated value of \$147,390.00 based on the Cook County Assessor's 2016 property tax assessment. The District shall pay for any closing costs, including any and all back taxes, associated with the conveyance. Upon successful completion of due diligence by the District and prior to closing, Donor shall demolish the existing pool and pool house located on the property, at Donor's expense. Following the closing, the District will become vested with fee simple absolute title and the immediate right to possession of the Property.

Permission is now sought, upon satisfactory completion of all due diligence and negotiation of any and all required documentation as determined by the Preserves' legal department, to accept the donation of the Property and authorize funds in an amount not to exceed \$60,000 to cover any closing costs and back taxes associated with the Property.

This land acquisition advances the goals of the Next Century Conservation Plan.
