Summary: This Contract (Task Order) is for second-tier natural resource prioritization, document management services, and other related resource preservation activities. The estimated contract amount is not to exceed $500,000.00.

On 10/1/2013, the Board of Commissioners authorized the Forest Preserves to enter into and execute an Intergovernmental Agreement with the Prairie Research Institute of the University of Illinois for the purpose of developing a Natural and Cultural Resources Management Plan. The Plan informs and prioritizes natural and cultural resource restoration management. As agreed by the Board on 10/1/2013, funding of subsequent work with the Prairie Research Institute is to be approved on a year to year basis.

The Forest Preserve now desire to enter into a new Task Order to complete such work.
