Title:	PROPOSED PARTNERSHIP AGREEMENT				

Request: Requesting authorization for the Forest Preserves of Cook County (the "Forest Preserves") to enter into a Partnership Agreement with Friends of the Chicago River, Chicago, Illinois.

Reason: Friends of the Chicago River has received a grant from the National Fish & Wildlife Foundation via the Chi-Cal Rivers Fund in the amount of \$242,668.96 to support the restoration of Crooked Creek, a tributary of the Cal-Sag Channel located within the Palos-Sag Valley region in southwest Cook County.

The project will restore the waterway's natural system of infiltration by removing invasive plants from 207 acres and allowing native plants to enhance absorbance. This will lead to improved water quality, decreased storm water volume entering Crooked Creek, and improved habitat for wildlife.

Total budget costs for the project are \$492,668.96, of which the Forest Preserves proposes to contribute \$250,000.00 in cash match and other in-kind support representing an approximate 50% match. This match is being partially met through ongoing brush clearing work at Spears Woods and Pioneer Woods throughout the winters of 2018 and 2019.

Contract period: 1/22/2019 - 12/1/2022

Fiscal Impact: \$250,000.00
