Summary: The Forest Preserves of Cook County (the "Forest Preserves") has identified a parcel of land for acquisition that would add to the Forest Preserves' current holdings near Spring Lake Preserve (the "Property"). The Property, commonly known as 163 Springwood Lane, Barrington Hills, Cook County, Illinois, consists of approximately 10.72 ± acres. The acquisition of the Property would bolster, and provide a buffer to, Spring Lake Preserve, one of the District's finest natural area properties.

Through negotiations, the Owner of Record (the "Seller"), has agreed to sell the Property to the Forest Preserves for the sum of EIGHT-HUNDRED TWENTY THOUSAND DOLLARS AND 00/100 (\$820,000.00) plus closing costs up to \$10,000.00 (up to \$830,000.00 in total). The purchase price is based upon two (2) M.A.I. appraisals obtained by the Forest Preserves and is subject to the Forest Preserves' satisfactory completion of its due diligence.

Permission is now sought, upon satisfactory completion of all due diligence and negotiation of any and all required documentation as determined by the Forest Preserves legal department, to remit a check in the amount of the Purchase Price plus closing costs as full compensation for the acquisition of the Property.

This land acquisition advances the goals of the Next Century Conservation Plan.
