Performance Media was deemed by a selection committee as the most qualified of the two (2) responding firms to an RFP from the Forest Preserves for these services.

Up to 320,000 brochures are distributed county-wide annually to more than 300 locations and are also given to the public at hundreds of community events throughout the year. These brochures help market the Forest Preserves' nature centers, activities, and educational programming, most of which are free, as well as promote the natural amenities that are available to the public throughout the Forest Preserves.

The Forest Preserves will open a new RFP for these services in 2020.
