This Event and Program Partnership application is listed on the Forest Preserves’ website at fpdcc.com/about/doing-business-partnerships/programming-partnerships/#proposals and will be marketed through various Forest Preserves avenues. Individual contract payment amounts would not exceed \$5,000.00. The program partnerships would be proposed or vetted by the Forest Preserves’ Conservation and Experiential Programming team and selected based on community involvement; ability to provide the service; ability to bring a unique program concept to the Forest Preserves; ability and interest to connect with the Forest Preserves’ mission and vision; ability to serve a community impacted by racial and other inequities; ability to support Forest Preserves’ grant programs; price; and ability to bring a new audience to the Forest Preserves. This program strategy complements the goals of the Next Century Conservation Plan, to connect more people with nature and to make the Forest Preserves more welcoming and accessible.
