Summary: The Forest Preserves of Cook County (the "Forest Preserves") has identified three parcels of land for acquisition that would add to the Forest Preserves' current holdings near Spring Lake Preserve (the "Property"). The Property, commonly known as 328, 330, & 331 Old Sutton Road, Barrington Hills, Cook County, Illinois, consists of approximately 44.00 ± acres. The Property directly adjoins to the Spring Lake Preserve and will provide a link between the preserve and the Horizon Farms Preserve to the east. This acquisition contains significant natural habitat that includes some very large oaks and will expand habitat for wildlife, as well as increase outdoor recreation opportunities.

Through negotiations, the Owner of Record (the "Seller"), has agreed to sell the Property to the Forest Preserves for the sum of THREE MILLION EIGHTY THOUSAND DOLLARS AND 00/100 (\$3,080,000.00) plus closing costs up to \$10,000.00 (up to \$3,090,000.00 in total). The purchase price is based upon two (2) M.A.I. appraisals obtained by the Forest Preserves and is subject to the Forest Preserves' satisfactory completion of its due diligence. The Forest Preserves was awarded an Illinois Clean Energy Community Foundation grant for this acquisition and will be reimbursed up to 80% of the purchase price or up to \$2,464,000.00 (Board Item No. 22-0247).

Permission is now sought, upon satisfactory completion of all due diligence and negotiation of any and all required documentation as determined by the Forest Preserves Legal Department, to effectuate payment in the amount of the purchase price plus closing costs as full compensation for the acquisition of the Property.

This land acquisition advances the goals of the Next Century Conservation Plan.
